

The Coral Luxury Apartments.

 Lifecamp, Abuja

Life Camp located at the center of Abuja's master plan could be said to be the birthplace of Abuja, as it was earmarked to accommodate the expatriate contractors and engineers responsible for the development of Abuja's Infrastructure.

The sprawling trees, parks, and scenery define the ambience of Life Camp. It also plays home to the official government residence of any incumbent Minister of the F.C.T., which causes it to be one of the most secure parts of town.

A growing number of recreational centers like the new Polo Club, TAK Continental Estate (famously known as Clubhouse Restaurant), Jabi Lake Mall, and several Educational and Medical facilities are present in the vicinity and within convenient distance.

The Coral home ownership experience will surely be a defining milestone in the life of a discerning buyer.
