

Vynedresa Hotel

 Garki Area 11, Abuja

The Vynedresa Hotel has undergone numerous transitional stages under various management. The client, under new management, decided to total upgrade of the hotel and its facilities and staff. With the view of staying competitive in Abuja, the client insisted on a world-class finish that was international standard.

The Vynedresa Hotel is luxurious and offers generous accommodation option in town with competitive pricing to attract the frequent business traveler. Ideally located within the central business district axis, the hotel offers great access to a majority of government and corporate offices in the area.

The remote location of the hotel ensures complete privacy and the facilities provided are able to satisfy the guest's needs. The renovation focused on providing additional rooms, upgrading the existing facilities, exterior and interior re-modelling, and plumbing and electrical upgrades.

The architecture and interior decoration of the hotel is impressive. The bedroom are very large with en-suit bathrooms offering some comfort to the guests.
